

Instructions for Changing Immunisation Fees

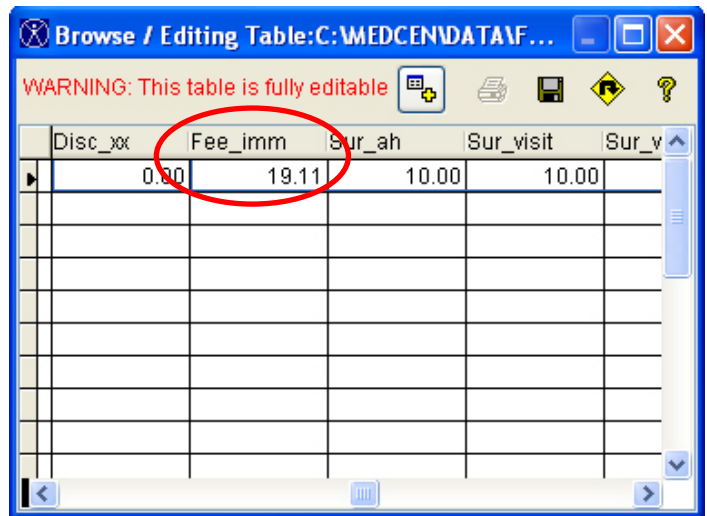

To change vaccine cost in the Imm_1st table

To change Fee_imm in the Fees table

On the server go to the menu item **Tools->Advanced->Browse A Table**. Find the table **fees.dbf** in your data directory (usually **C:\MedCen\Data** on the server) and open it.

Use the horizontal scroll bar to scroll to the right until you find the field labelled **Fee_imm**.

Change the value in this field to **19.61** then click on the **Save** button  save your changes.

To change vaccine fees in Imm_1st

The vaccine fees in Imm_1st can be manually changed, or if you have access to the internet, you can download an update from <http://medcen.co.nz/downloads>.

On the server go to the menu item **Tools->Advanced->Browse A Table**. Find the table **imm_1st.dbf** in your data directory (usually **C:\MedCen\Data** on the server) and open it.

Use the horizontal scroll bar to scroll to the right until you find the field labelled **Base_cost**.

The values in the **Base_cost** column should either be 19.11 or 0.00.

Wherever the **Base_cost** is **19.11**, change it to **19.61**.

For all Influenza vaccines, check that the **Cost** is **8.44**.
