MedCen ACC Update

ACC fees update

From 1 April 2006, the regulated amounts ACC contributes to the cost of injury treatment consultation will increase by 2.5%. This affects the following ACC codes:

- CON
- CON6
- GPN
- GPN6
- NCON

Rural General Practice Services have also had a price adjustment.

Both will be changed to the appropriate values with this update.

Influenza vaccine subsidy

PHARMAC and the National Influenza Strategy Group have advised that the subsidy payable for government-funded influenza vaccinations this year has increased from the previous \$5.95 to \$7.50 excluding GST (\$6.69 to \$8.44 including GST).

This will be changed to the appropriate value with this update.
