

# Release Notes

MedCen 7.1 Build 885

## No More Bugs!

Bugs can show up in software in many forms. Some will be minor, resulting in some unexpected behaviour. More serious bugs will cause error messages to appear or even cause the system to 'crash'. Let us know if you find any bugs and help us eliminate them! You can contact us by calling 0800 MED CEN (0800 633 236) or by emailing us at [support@medcen.co.nz](mailto:support@medcen.co.nz)

## Resolved Issues

-  NIR Clinic Audit Reports (**Tools->Audits->NIR Clinic Reports**) would generate an error when running the 'Vaccination Report by Antigen'.
  
-  The CBF Export file in some practices did not generate as expected.
