MedCen 7.1 Build 990

Changes with PHO

This update is specifically for South Canterbury practices who were members of Aoraki PHO.

You will be aware the Aoraki PHO contract with SCDHB ends on Friday the 30th of April 2010 and that a new contract for general practice services through South Link Health begins on Saturday 1st of May 2010. All funding is now activated by a new contract number which needs to be updated within your practice management systems as soon as possible. Finalize GMS and IMM claims for the existing contract number as soon as possible on Monday 3rd May.

The new contract number is: **332944**

This update will automatically update this contract number within MedCen for each provider recorded as using this number in the provider table (doc_dat).

If you have any questions regarding this update please contact us at 0800 633 236 (0800 MEDCEN) or alternatively at support@medcen.co.nz
