MedCen 7.0 Build 901

ACC price changes

ACC has advised that there have been price increases for the following contracts:

-  Rural Primary Healthcare
-  Accident and Medical Clinic Services
-  Physiotherapist – EPN

These changes are effective from 1 April 2008 and have been applied with this update.

From the 'Wish List'

Every user can have a say about how they want MedCen to work for them. For each update, we try to include as many suggestions or requests that you have made. This update we included:

-  Some practices noticed that the 'bill to' for some CarePlus transactions would display the incorrect account. This has been fixed, so that the correct account should be billed for a CarePlus transaction.
